Dear Sponsor,

Hello, my name is Dao. I am eight years old and attending at grade one of primary school. My favorite subject is Lao language. In the future, I would like to become a teacher. There are seven people in my family.

My house is made of wood with tin roof and it is located eighteen kilometers far from the city. In my free time, I like playing skipping rope and help my parents feeding chickens. I like eating meats. My community is surrounded by forest and the mountains can be seen such beautiful scenery.

Finally, I wish you have good health and successful in your life.

Sincerely yours,

Dao
